Friday 9<sup>th</sup> November 2018

Dear Parents/carers,

Firstly, thank you for all those parents who attended the Maths Workshop on Tuesday 30<sup>th</sup> October. There was a fantastic 'turn out' and the feedback was extremely positive. As part of the session we asked parent/carers to complete a maths questionnaire. One area parents wanted support with, is how to navigate effectively around the Mathletics website, especially since the upgrade.

Therefore, on **Wednesday 21<sup>st</sup> November 2018**, representatives from Mathletics are holding an assembly linked to accessing the website, rewards and how it can support the children's learning on key mathematical skills. Parents in EYFS to Year 4 are invited to the assembly at **2:30 pm**. This will approximately last **30 - 40 minutes**. There is an opportunity to ask any questions you may have after the event. Please complete the slip below and return to school. Thank you.

#### **Additional support-**

Your child is using Mathletics as part of their mathematics program at school. Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to curriculum standards. Your child has take-home access to Mathletics – they simply sign in with their school username and password using any compatible computer or mobile device. The extra Mathletics practice at home can make all the difference to your child's progress. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!
