Dear Parents and Carers

We will be holding a Maths Workshop on Tuesday 30<sup>th</sup> October 2018, from 5:00pm till 5:45pm to which everyone is welcome.

At the workshop we will be explaining the meaning of mastery in maths and how this links to the National Curriculum and progression throughout the school. As part of the session we will be sharing some calculation methods taught in school and resources you can use to support your child at home.

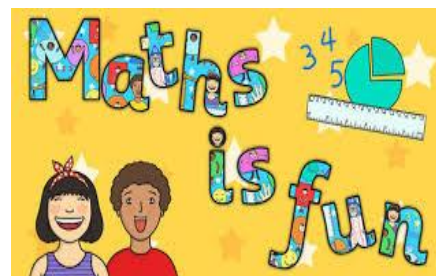

By attending the workshop, we hope that you will feel more confident when supporting your child with their maths homework or when discussing their school work in general. There will also be the opportunity for you to ask questions.

**Please can you complete and return the slip below to the main office by Monday 29<sup>th</sup> October 2018.**

Thank you for your continued support.

Yours sincerely

Mrs A Bailey and Mrs Stone
