26th September 2018

Dear Parents and Carers

On Wednesday 10th October, we will be celebrating World Mental Health Day. Our school is taking part in the Young Minds #HelloYellow campaign which aims to raise awareness and show young people that they are not alone when dealing with mental health. The children are being invited to wear something yellow on the day to celebrate looking after our mental health. This could be any item of yellow clothing or a yellow accessory.

To raise awareness, the children will be having themed lessons on mindfulness and activities focused on improving their wellbeing. Some classes will even have the opportunity to take part in workshops related to yoga and meditation. We will be encouraging all of the children to think about and do something positive to look after their mental health and wellbeing. Positive activities might be playing a sport, baking or gardening as just a few examples. If you would like to tweet us with photographs of activities that make you smile then please tweet @Danemill Primary. We look forward to having a day of spreading this positive message!

Thank you in anticipation of your support,

Miss Dunkley
