Dear Parents and Carers

The NHS have launched a new scheme to encourage children to become more active. This is called 'Move it Boom' and children are required to create a log in and record the activity they are taking part in. This could be a range of things like swimming outside of school, playing a game with siblings at home, or playing football for a local team.

A robot will monitor any activity the children record, so the more activity they take part in the better their robot will be! This needs to be an honest recording as irregular activity can be observed by the NHS team.

A potential reward from this could be new equipment for the school so let's get exercising!

Also, the school has the chance to gain more sports equipment by collecting Aldi sports stickers. If you spend £30 or more at Aldi, you can receive these stickers. The school needs to fill a poster with the stickers to be in with a chance of earning £20,000 worth of sports equipment.

Yours sincerely

Mr Ball
