Arrangements for whole school return – March 2021

Dear Parents and Carers,

We are over the moon to be able to welcome back all children from March 8th. After reading through the guidance from the Department of Education, guidance seems to be similar for children in primary schools. We have reviewed our risk assessment and uploaded it to our website allowing you to have a look at controls that we have in place within the building.

Our priority is to ensure the children are in an environment where they are as safe as they possibly can be. We are confident that this can be achieved with controls that we have had in place since September. Our second priority is to ensure that our children's wellbeing is at the heart of our return to school programme and I would urge you to contact Emma Watson, our Inclusion Manager, if you have any concerns about your child's emotional wellbeing.

Children will continue to have the same start times and end times as before Christmas with one exception as highlighted. Please review below to double check the times for your children.

Year Group	Start Times	Exit Times	Gate	Note
Pre-School	8:45	3:15	1	No Change
EYFS	9:00	3:15	1	No Change
Year 1	8:40	3:00	1	No Change
Year 2	8:50	3:10	1	
Year 3	8:40	3:15	2	No Change
Year 4	8:45	3:25	2	No Change
Year 5	8:45	3:25	3	No Change
Year 6	8:40	3:20	3	No Change

How can you help us to remain safe?

*Wear your face mask at drop off and pick-up times. We all know how congested our school site can be and this will support us to protect against transmission.

*Do not queue early. This can have a real impact on access into school for parents turning up on time. Please wait off site until your allotted time.

*Do not send your child to school if anyone in your household, childcare bubble or social bubble has symptoms or is being tested.

*Do not send your child into school if they have any of the symptoms identified until they have received a negative test.

*No congregating on school premises. We need there to be a fluid entry and exit path for all adults and children.
