### Apprentice Challenge

We are launching an Apprentice Challenge for our children which our Trust, Discovery Schools Academy Trust, are supporting us with.

The central team from DSAT are coming to work with the children to talk about sensible money management, saving and loans. There will be time to discuss possible business ideas.

- 1) Come up with a business idea. Use £1 from their own money to buy materials. Launch your business. Submit your results and money made (minus your £1) to the school office by no later than Friday 23rd February 2018.
- 2) Come up with your business idea. Submit this to Miss Lawrence or Mrs Hickinbottom by Friday 9th February 2018. If your business idea is viable then you will be loaned £1 from the 'Danemill Bank'. Use this to buy your materials. Launch your business. Submit this no later than Friday 23rd February 2018. Your total will have the original £1 deducted plus 50p interest for your loan.

There will be a market place available for your child to sell if their idea is a product. This will be on Tuesday 20<sup>th</sup> February from 3.30-4pm. Your child will need to be supervised.

I have worked with some of our School Council to look at prizes. The categories are as follows:

- Most profit overall - £25 voucher of your choice
- A winner from each year group - £10 voucher of your choice
- Most innovative - £10 voucher of your choice

These winners will be announced in a celebrations assembly on Monday 26<sup>th</sup> February 2018. Children can work in teams, but their profit will be divided between the number of children in the team and there will only be one prize issued if the team were to win.

Please fill in the reply slip if you intend to join the Danemill Apprentice Challenge.
