Dear Parents and Carers

Re: Feedback from the proposal regarding changing the school week

Thank you to everyone who took the time to write down their views and concerns on the feedback forms and returned them to school by the requested deadline. Your comments and supportive suggestions about the proposal to alter the end of the school week have been helpful and insightful.

For your information, we have summarised the data from the responses in the table below.

Statistical Data – 402 children on roll.

Yes	No	Undecided	Total number of responses	No Response
35 (9%)	96 (24%)	6 (1%)	137 (34%)	265 (66%)

Paul Stone has also met with Alberto Costa, MP for South Leicestershire at Parliament to discuss the proposal and listen to concerns he raised on behalf of his constituents. We pride ourselves on listening to all stakeholders with in our school community and to the breadth of points raised during this consultation.

The changes and proposal do have many merits to improve teaching and learning. The trust and the school will continue to work together to ensure your children receive the very best teaching and learning without disadvantaging families. Therefore, no changes to the school timetable will be made during the next academic year ensuring collection times are unaffected.

We would like to reassure you again that any future proposals will not take place without further detailed consultation. We will continue to be open minded about the proposals and will seek ways to ensure it is achievable without disrupting childcare for families. Thank you to those parents who have responded through the appropriate channels, we are a listening trust and your views are appreciated.

Thank you again for your continued support. We wish you all a happy and safe summer holiday.

Yours sincerely

Paul Stone
