

Dear Parents/Carers,

Thank you for your understanding about the school closure today. This decision was not taken lightly and, along with other schools, was made to ensure the safety of pupils and staff.

Our Premises Officer has visited the site today and as a result we are planning for the school to be open as normal tomorrow, Tuesday 12<sup>th</sup> December. I am aware that the weather and conditions could change overnight so can I please ask that you monitor our website and twitter feed in case we need to make the decision to close again once we have checked the site in the morning.

In order to ensure the safety of our pupils, please make sure that you take your time coming to school. When you enter the school site, pathways will have been cleared. Please ensure that you and your children stick to these and take care on all surfaces.

If you would like to send your child with a change of shoes, please do so and also send in a plastic bag to put their wet shoes into.

We will open the doors promptly at 08:45 can we suggest that children come straight into class rather than wait outside as it will be cold and possibly icy.

Kind regards,

D. White

Executive Headteacher

T. Lawrence

Head of School
