11th March 2016

Week 103

Head Teacher's Message

Our assembly this week was given by Severn Trent Water who helped our children to understand how to save water. This was followed by workshops for Years 4 and 5.

Some of our pupils participated in the DSAT Arts Festival—'World in Union' last night. It was a wonderful event and a fantastic opportunity for them to perform at De Montfort Hall; I think there will be some very tired children today.

Next week is our Parent Evenings—please book your appointments if you haven't already done so.

Tomorrow 15 pupils will be attending the IT Conference at Parklands Primary School. We hope they have a super time. Have a lovely weekend.

Pre-School and Wrap-Around Care

Questionnaires -
Many thanks for returning the pre-school and wrap-around care questionnaires.

We can now assess the needs of all parents and carers for both projects:-

Pre-School
This will be term time only and will fit broadly around school hours. This will start in September 2016.

Wrap-Around Care
There has been a huge response for this and we hope to put it in place in September 2016.

Looking at the demand it may be that we will be unable to accommodate everyone.

We will let parents and carers know next term what the arrangements will be for September 2016.

Noticeboard:

We are having the school library refurbished over the next few weeks, so the library will be closed until work is completed. The children can change reading books in their classrooms or bring a book from home if they wish.

Tesco are giving the school a grant to develop the outdoor environment, particularly Foundation Stage. Please visit your local Tesco store (Narborough or South Wigston) to vote for the school to be awarded this grant.

FEDS AGM
