Week 133

The end of a fantastic term. Our Christmas celebrations have now finished and we close the school today for the holidays.

We have said our farewells to Mrs Wheat and Mrs Lucas today and we wish them all the best for the future.

I would like to say a big thank you to everyone for the lovely gifts and messages that I have received as well. I have enjoyed 20 years at Danemill and know that it is a wonderful school and that I am leaving it in good hands to continue to thrive. I will miss everyone!

Have a lovely Christmas and a wonderful New Year.

Catherine Winterton

NHS BLABY SCHOOL NURSE TEAM

Welcome to the School Nursing Service, the team consists of 6 qualified Nurses and 2 School Nurse Assistants who cover 27 schools in the Blaby District. The team is actively involved in contributing to the physical health and well-being of all school aged children and young people. The service is a link between home and school and we also work closely with other agencies.

During the New Year, we will be completing the delivery of the National Child Measurement Programme (NCMP), which is operated by Public Health England to find out about growth patterns on a national level. All parents and carers of Foundation and Year 6 children should have received a letter and a flyer from the school explaining about the programme.

If at any point you feel you need support from our service, please do not hesitate to contact the team on 0116 264 2671.
