

Head Teacher's Message

A great week at Danemill! It is hard to believe that we are nearly at the end of January. We have had a meeting today with Santander who are helping us to develop our outdoor learning environment. We are very excited about providing different learning areas for all our pupils. We continue to add to our after school clubs and there are lots of opportunities for the children to extend their learning in different ways. Next week year 6 are visiting the Toby Carvery where they will be able to plan and taste different meals and will learn about diet and nutrition.. We have added a lot of information on our website recently about the new curriculum and you will be able to see what the children are learning. We are in the process of developing a new more user friendly website which will be available to view at the end of February. Well done to the girls football team who persevered last night in blizzard conditions at Countesthorpe - it was a pleasure to watch them even though it took a long while to thaw out!. Have a good weekend

Catherine Winterton
