

Head Teacher's Message

This week the Year 5 children have been working on a film project. The first part of this venture has been writing scripts on the subject of time travel and next week the children will develop these scripts into plays. We were really pleased with all our pupils this week when we had a fire drill; the children managed to evacuate the building safely in just over a minute and they were extremely sensible, remembering all the rules when exiting the building.

World Book Day was, as usual, a huge success and as always it was lovely to see all the children together in the hall. The costumes were absolutely brilliant and a sight to see!

This week Mr Taylor and myself organised a 'Moneywise' programme to be delivered to the children in Year 6 during the next three weeks. This has been sponsored by Santander and the pupils will learn about saving, spending and the role of the bank.

Next Tuesday there will be a fire display after school which is presented by the Fire Service, (see details below), and all are very welcome.

Have a good weekend.

ROAD SAFETY ISSUE

Please can we urge parents and carers to be extra careful when driving near to the school. There have been several incidents of dangerous driving witnessed on Mill Lane.

Leicestershire Police have informed us that anyone who sees an incident of dangerous driving close to the school is urged to call the 101 police telephone number and report the details.

The police are very concerned about road safety around schools and are currently developing a campaign to make the areas around school safer for your children.

Football

The Year Six football team have played two big games this week - first in the league against Greenfield at home on Wednesday and then the Rice Bowl quarter final away at Blaby Stokes. We went into the games full of confidence following our great success of last week!

Wednesday was a preparation for Thursday's quarter final and although we started the game full of confidence it took us a while to find our usual form, and we were losing 0-1 after five minutes. The team responded very well and had soon equalised through Ewan and gone ahead via an own goal assisted by Poppy - all before half-time! We added a third in the second half through Jeevyn and the game finished 3-1.

On Thursday we had a very tough quarter final draw against local rivals Blaby Stokes. It was a similar start to the game on Wednesday, slow this time as we didn't concede an early goal and instead took the lead through a remarkable strike by Ewan; straight into the top corner from 20 yards. Half-time 1-0.

In the second half we played very well and were always in control of the game. Jeevyn managed to score a second from close range before Zak added another amazing goal - this time into the bottom corner but also from 20 yards. Final score 3-0.

Thanks to all the supporters - I'm sure you all enjoyed the game.

Cross Country

On Wednesday we had our last local cross country meeting of the season (the one scheduled for next week has been postponed), which was a shame as we've managed to boost pupil numbers in some year groups and many were looking forward to next week's race. Nevertheless they enjoyed the occasion and are looking forward to next season already. We had particularly good performances from Callum, Charlie and Blake.

Next Week

Monday - Basketball Matches at Brockington

Tuesday - Year 5 and Girls Football vs Badgerbrook at Danemill

Wednesday - Basketball Matches at the Leisure Centre
