

An update from Miss Lawrence (Headteacher) and Mrs Hickenbottom (Deputy)...

Mother's Day

Thank you for supporting our fundraising for school by purchasing your secret room Mother's Day presents. We hope you enjoyed them on Sunday.

We raised £430 towards our tree house.

Contacting School Staff on Social Media

Several members of school staff have been receiving 'friend requests' and messages through social media. Although these messages and 'friend requests' have been lovely, we have to remind you that it is against our safeguarding policy to respond.

In saying that, staff do love to hear positive feedback on their work. However, the method in doing this is through the office: office@dsatdanemill.org

We can then reply accordingly and in line with our professional standards.

Pre-School

We are nearly full for this academic year now with only the odd available session left.

However, if you are interested in booking for next academic year, we have availability.

You can contact our fantastic pre-school team on the following:

Email: office@dsatdanemill.org

Telephone: 0116 2862674 and ask for our Pre-School Manager, Lisa Mattock.

Comic Relief

We've had a super day raising awareness for Comic Relief. The children and staff have loved wearing non-uniform for the day with a flash of red. We've raised £210.

Face Coverings

Please can you ensure that you wear your face covering when dropping off and picking up your child. We want to be able to do everything we can to limit infection and keep our school open for our children.

Guidance for reporting a COVID positive case

Please note that if your child tests positive for COVID, you must contact us whether this is in school hours or out of hours so that we can seek support and guidance from the Department for Education.

If it is within school hours, then please contact us via usual ways - office@dsatdanemill.org or call 0116 2862674.

Let's Go Zero 2030

We wanted to let you know that we are signing a pledge with other schools to try and work together to become zero carbon. We know this will be a huge challenge but are committed to our role with climate change.

Golden Nuggets

We were so pleased to receive so many positive comments during lockdown and this week we wanted to share them with you through our newsletter.

See if you can spot yours...

'I would like to say a huge thank you to Mrs Lee for being fantastic with Jake in his weekly ELSA - he engages so well and talks about how much he likes doing the activities.'

'I wish to thank you and all of the staff at pre-school for providing such great care for my child. As I said, moving him here has been a great decision and he enjoys attending which is brilliant. He talks all about the activities he gets up to which is lovely. I can see the development in him in terms of his socialisation and understanding more about the world'.

We will share more in the next newsletter! Thank you again!
