

An update from Miss Lawrence (Headteacher) and Mrs Hickinbottom (Deputy)...

Junior Jets

You may have seen the Leicestershire Foxes around Fosse Park and the surrounding areas. One is even next door with our friends at Enderby Leisure Centre.

Leicester City have teamed up with LOROS to do a similar project. Instead of Foxes they are using Jets! Danemill have been lucky to be able to obtain one Jet that will be a permanent feature (hidden In the City) up until October then we will be able to keep it within school forever.

We will keep you updated on the developments and design.

Class Assemblies

1RP have put their class assembly on TEAMS for Year 1 to enjoy. Enjoy!

Uniform

A reminder that we do not allow brightly dyed hair colours at Danemill. We also do not allow make up, nail varnish or jewellery.

Please do not send your children to school with any of the above. They will be asked to remove all jewellery and nail varnish in line with our uniform policy.

Year 4 and 6 Sleepovers

Following the cancellation of PGL and Beaumanor Hall we were looking at having a sleepover at school for those affected and sent out expressions of interest.

We are in a difficult position because guidance hasn't changed for us as a school, and we still have to adhere to regulations within school. However, we feel that we would be able to follow guidelines if the roadmap

shared by the Government stays as planned for June 21st.

We are currently looking at options with school staff and will be writing to parents in years 4 & 6 within the next few weeks with a proposed plan.

Keep an eye on your inbox!

DSAT Parent Survey

Share your views – our parent survey will be open from Tuesday 4th May until Tuesday 11th May 2021.

At Discovery Trust, we believe strongly in continuous improvement – we want all our schools, including Danemill to continue to improve and provide the best education for your child.

One of the best ways to understand where improvements can be made is to ask you about your experience of the school.

From Tuesday 4th May please look out for an email from the school with a short survey asking for your views.

As a thank-you for completing the survey your school will have the chance to win a laptop.

Thank you in advance for your support.

Paul Stone
Trust Leader

Vending Machine - Nominations

Our focus this month was to read regularly at home. Those nominated for a book from the Vending Machine were:

Pre-School: Cecilia
Bumblebees: Erika
Ladybirds: Aryan
1KF: Andrew
1RP: Paige

2EH: Oscar
2JC: Eleanor
3RC: Cody
3HL: Albie
4BM: Tezhane
4LS: Bella
5LB: Skyee-Louise
5RM: Aaliyah
6KE: Summer
6LG: Louis

Advisory Board

We will be using this space to share updates with you on the work that we do with the Advisory Board. We would like you to introduce you to Ravi:

I have been an appointed community member of the advisory board at Danemill school since 2020.

As a board, we are passionate about wanting every child to succeed at Danemill. We are committed to working collaboratively with the leadership team to ensure we keep pushing our pupils to achieve their best, further develop good communication skills and succeed which upholds our vision statement of “only the best is good enough”.

This means we provide support, advice and challenge to the leadership team to help make our school the best it can be. We are part of the governance for the school and we look at all aspects of school life from attendance, behaviour and curriculum to how well we are preparing our children for secondary school and beyond.

I have children of primary school age myself so understand the current needs and demands facing pupils and parents. I am a police officer and act as a role model in society and enjoy working with local communities to make the world we live in a safer place for us now and for future generations to come.

Golden Nuggets

'The school really is awesome; the staff are amazing and I want to show some love to all of the teachers that continue to put our kids education and well-being first.'

- Year 4 Parent
