

## An update from Miss Lawrence (Headteacher) and Mrs Hickenbottom (Deputy)...

### LOROS Fundraising - Junior Jet

Thank you for supporting us in our LOROS fundraising event.

We raised £105 from our non-uniform day.

The children have all submitted their ideas for the jet and we will be now working with our illustrator to put them together. We will share the final design with you after half term!

### Leicester and Leicestershire Support for SEND children

We have had a link shared with us that shares events for families and we wanted to share it with you:

### Honeybees Car Park

Unfortunately, we have received further communication from Honeybees about our parents parking in their car park to come and collect children.

Please can I remind you that it is their private property. The Leisure Centre kindly allow us to use their car park for drop off and pick up so can I encourage you to use their car park instead.

Thank you for your support in this.

### Pastoral Team

I am Mrs Higham, the SENDCo (Special Educational Needs and Disabilities Co-ordinator). I work throughout the school to make sure we have a joined-up approach to learning and wellbeing for those children who need additional support.

We cannot do it without your input at home - I can offer advice and strategies alongside the class teacher, on how you can best support your child with their learning so that they have a positive experience and are happy.

### **COVID Guidance**

At Danemill, the guidelines haven't changed with regards to COVID. We are still unable to have meetings or volunteers within school.

This also means that it continues to be the case that you will need to let us know if your child tests positive for COVID over half term so that we can let close contacts know to isolate if necessary.

Email [office@dsatdanemill.org](mailto:office@dsatdanemill.org) to let us know.

### **Staff Emails**

**Please can we ask you to email the Office if you need to liaise with a teacher.**

It is important for us to follow our protocols within school and unless we are in a period of lockdown then electronic communications must come through the office.

Thank you for your understanding on this matter.

### **Golden Nuggets**

*'Please pass on our thanks to all of the staff at Danemill for their amazing work this half term to deliver the best possible education for our children.'*
