

Danemill Primary School Pupil Premium Strategy Statement for the Academic year 2018-19

Number of pupils eligible for pupil premium: 69

Number of pupils in school: 408

Total PP Budget: £91,640

Context:

Danemill Primary is a large school with 408 pupils from age 4 to 11. At Danemill 17% of students are eligible for pupil premium which is below national average of 26%. Numbers of children eligible for pupil premium continue to rise. The July 2018 Deprivation Indices for Danemill indicates that Danemill was ranked at 141/276 schools in Leicestershire; with 1 being the most deprived.

What do we spend the money on?

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
AR (accelerated reader) in KS2	Accelerated Reader (AR) is a whole-group reading management and monitoring programme that aims to foster the habit of independent reading among pupils. To closely monitor progress of reading.	69	£3.150
Impact statement: More pupil premium pupils develop a love for reading & make accelerated progress ~ diminishing the difference in attainment.			

To create, deliver, monitor & evaluate effective interventions that focus on specific gaps in learning. These interventions will include learning strategies that are tailored to the learning styles of the pupils,	To diminish the difference in attainment of Pupil Premium pupils against non pupil premium children.	69	£56.515
<p><u>Impact statement:</u> The gap in attainment is reduced.</p> <p><u>Next steps:</u></p>			

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
25% off school trips.	Increased number of pupils who attend school trips including residential. Wider experiences for pupils.	69	£3,535
<p><u>Impact statement</u> More pupils eligible for pupil premium attend school trips than previous year including residential.</p> <p><u>Next steps:</u> Ensure pupils are identified early on to ensure payment plans are in place. Check costs of trips across school and give parents early notice to ensure children sign up for trips.</p>			

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
-----------------	------------------------	----------------------------------	------

Provide milk for EYFS pupils & pupils up to the age of 5 years	Ensure good nutrition for pupils so that they are ready for learning	9	£505
Impact statement Pupils are ready to learn.			

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
To work with Attendance officer to hold parents to account for the attendance of their children.	To improve the overall attendance of Pupil Premium pupils, particularly the persistent absentees.	69	£2,500
Impact statement: The attendance of PP pupils improves Next steps:

		children	
To provide equipment, schemes & resources to support PP pupil's learning both in the classroom & during their focused intervention sessions. To customise their learning according to their preferred learning style.	To diminish the difference in attainment for PP pupils across the school. To provide exciting & bespoke learning opportunities that these pupils can access effectively. To increase the self confidence & self esteem of the PP pupils.	69	£3,000
<p>Impact statement: Appropriate learning resources & strategies result in PP pupils making accelerated progress & the attainment gap is diminished, Next steps:</p>			

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
To provide ELSA sessions to pupils who are having difficulty with social & emotional situations.	To increase wellbeing and engagement for pupils. To identify barriers to learning for vulnerable pupils and develop strategies to support them. Progress on Emotional Literacy Questionnaires.	69	£13,285
<p>Impact statement: Vulnerable pupils & families are supported Next steps:</p>			

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
Behaviour welfare support at lunchtimes Wellbeing Club established as well as access to the library & ICT suite.	To support children with social difficulties that are causing significant barriers to progress - nurture group for internal and external play plus any necessary sanctions.	All	£6000
<p>Impact statement Some pupils were supported well during unstructured times of the day (play times). There was a clear system in place for children to follow if any issued arose. However it was recognised that further support was needed.</p> <p>Next steps: Some pupils had problems at lunchtime which then affected their afternoon learning. Next year a more structured system to be put in place to support pupils. Playtime zones and lunchtime/after school clubs are to be planned for.</p>			

Additional strategies that did not incur a cost that focussed on disadvantaged pupils.

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
Pupil progress meetings to focus on children eligible for Pupil Premium.	To increase the awareness of vulnerable pupils and to monitor closely support given to ensure accelerated progress for those falling behind.	69	No cost
<p>Impact statement Teachers are able to talk about disadvantaged pupils and support provided for them. Academic and emotional needs are being met.</p>			

Chosen Strategy	Rationale for strategy	Number of pupil premium children	Cost
Inclusion of children eligible for pupil premium at after school clubs.	To ensure disadvantaged pupils have access to extra-curricular clubs to develop skills and confidence.	69	No cost
<u>Impact statement</u> An increased number of children eligible for pupil premium attending after school clubs. PE leader and PE coaches targeted numbers of PP children attending clubs. <u>Next steps:</u> Additional opportunities provided to extend experiences including team building and competition.
