

## Sports Grant Spending 2020 – 21

We received £19,550 Sports Grant last academic year.

This is our planned provision for this year & we will use the grant to support this.

Provision	Proposed Impact	Cost	Actual impact
Employ sports coach to deliver quality tuition during curriculum time, lunch times & after school clubs.	Pupils are in receipt of quality coaching in a wide variety of physical activities, raising their enthusiasm, skills and aspirations to lead a healthy lifestyle.	£19,500	Achieved.
Extra members of support staff to extend sporting activities for pupils at lunchtime.	More children are actively involved in sports at lunchtime.	£3,780	Lunchtime activities supported our pupils physical & mental health during lockdowns.
Sports apprentice to support the teaching of P.E. across the school	Pupils receive differentiated activities during lessons with quality adult support.	£10,400	P.E. lessons are differentiated so that all pupils are actively involved & learning.
Training & support from feeder secondary school. Staff training in specific areas eg. Gymnastics, support from sports leaders.	P.E. provision is of a high quality for all pupils. More pupils are involved in after-school activities & competitions both in school & out of school.	£1,000	2 members of staff received specific training which has resulted in high quality P.E. teaching. Both members of staff will be supporting after-school activities in the next academic year.
Inter school games	To enable pupils to take part in competitive sports outside of school. To increase the level of competition that the pupils experience.	£850	Didn't happen due to COVID
Employ a SEND P.E. coach to deliver specific interventions to develop pupils co-ordination & gross motor skills.	Pupils across the school will develop their co-ordination & gross motor skills which will enable them to participate more actively & confidently in physical activities.	£17,000	Pupils in pre-school & EYFS developed their gross & fine motor skills through these sessions. Other pupils developed their balance, co-ordination & core muscles.
		£52,530
