Y6 Transition

Transition to secondary school: supporting your year 6 child with the ending and new beginning

Anna Freud Webinar

Date: Monday 27th June 2022

Time: 5-6pm

Venue: Virtual via Zoom

The transition from primary to secondary school is a milestone for children, and this big change naturally causes mixed feelings such as sadness, anxiety and excitement. Due to the pandemic, children have had to manage a lot of uncertainty, and they have spent more time at home with their parents/carers which may leave them feeling a little more anxious about their move to secondary school. Such transitions are also significant for parents and caregivers who naturally require time to adjust.

This webinar for parents/carers of year 6 students will offer ideas on the possible impact of this big change on children, and tips on how parents/carers can support and guide their children through the transition. Space will be made for parents/carers to reflect on what this change may mean to them as well, and there will be an opportunity to ask questions at the end.

You are invited to a Zoom meeting.

When: Jun 27, 2022 05:00 PM London

School Food Support - Meal Increase

We have been informed by School Food Support that the price of a child's dinner will be increased to £2.40 in the new academic year.

Thank you.

Reminder - Commonwealth Competition

With Birmingham 2022 less than three months away, we hope you're as excited we are. A global event on our doorstep and, with our help, one that hopes to leave a carbon neutral legacy.

There has been a competition released giving children the chance to **win Birmingham 2022 Commonwealth Games tickets for their families** by putting their recycling and crafting skills to the test.

To enter the competition, you need to:

- Find something recyclable around the house/school (plastic bottles, for instance).
- Upcycle it into something you might find in a forest.

Please take a photo of your creation and send through to office (office@dsatdanemill.org) for the attention of Miss Marsh who is leading the competition.

Make sure that your email contains your child's name and year group.

Thank you and we look forward to seeing your entries!

Wider Life at Danemill

This week we are celebrating Emilie in Year 3.

Recently her team, Epworth Forest Juniors, won their first mini tournament and on top of that she won 'Star of the Week' for her great defending and goal keeping.

We are all proud of her and she is proud of herself!

Don't forget to send us your pictures of your children's achievements outside of school. We love receiving them.
