

Danemill Primary School - 03/07/2023

**Danemill**  
Primary School

*Only the best is good enough.*

Dear Parents & Carers,

I know that many of you will be reeling from the news that Mrs Watson will not be at Danemill from August.

We, as a school community, feel the same.

Also leaving at the end of this term to take up new challenges are:

Miss Bacon

Miss Gackowska

Mrs O'Donovan

Miss Sarpal

Miss Stokes

Mrs Turner

It is at times like this when we have to think about the person first - not necessarily how it impacts on us.

I would like you to join me in wishing all of the staff members above all of the best in the future.

We will miss them but we know that they are moving on to learn more and continue their professional journey.

On Thursday 29th June Anjali, Antonia, Jenson, Maddison & Kayden went to the Sports Ability at the school games in Loughborough. We represented Blaby and Harborough and won the Spirit of the Games Award. Well done to all of you - you make us very proud.

This subject is just as important as ever and needs to be re-visited so that the children are really clear what is safe and what is not.

## Eco-Schools Update - PLEASE CONTINUE TO DONATE YOUR USED BATTERIES

As part of our Eco Schools Initiative, we are entering the 'Great Battery Hunt' to recycle as many batteries as possible.

If you have batteries to recycle, bring them to the office reception where you will find a box to put them in.

Please don't give the batteries to your children to bring in themselves 😊

## Wider Life at Danemill

We really enjoy sharing children's achievements so please can you make sure that you email your child's achievements outside of school through to the office. We share them weekly and on our social media.

Emilie (4LS) is super proud to have won 'Players' player' of the season. She was presented with her trophy on Saturday at her end of season football presentation.

Evie was very excited to make her Rainbow promise with her Rainbows group. She got her rainbow pin, as well as two badges for the work she's been doing already!

Logan-Simon has cracked how to ride his bike without stabilisers; he found it hard because of his coordination disorder but he smashed it! Super proud of him and he's proud he did it too so I thought I'd send it into school because it's a big achievement to make ❤️ Well done Logan-Simon!
