Top tips for reading at home with your child.

- Please read the book more than once with your child.
- Ask your child lots of questions about the book.
- Read lots of different types of books with your child e.g. stories and factual books.
- Ask your child to re-tell the story in their own words, describing the characters and the setting.
- Make up stories at home by having a start, a middle and an end.

Letter Formation and pencil control activity.

Please practice number recognition and formation to 5.

Wider Curriculum

Our topic this half-term is 'Why do we celebrate?' so it would be lovely to talk to your child about lots of different celebrations. This is a very exciting time where lots of celebrations will be taking place such as Diwali, Halloween, Bonfire night and Christmas so lots of conversations or activities linked to this will be great.

You could:

- Discuss what special times will you be celebrating during this half term, birthdays etc.
- Take part in celebrations at home or out and about, join in with traditions and talk about why we do things.
- Involve your child in the preparations for Christmas and any other special events.
