

Monday 20<sup>th</sup> January 2025

Dear Parents and Carers,

As we draw nearer to the big event, we wanted to send out further information regarding timings and reminders.

**On Friday 31st January 2025:**

- Come to school ready for a normal morning of learning.
- Wear school uniform with their Young Voices/plain white T-Shirt and red fleece, cardigan or jumper.
- Bring **two** packed lunches, snacks and plenty of drinks (not fizzy or in glass bottles) packed into a rucksack.
- Any medication or dietary needs should be passed through their class teacher. Please ensure inhalers are in school.
- Previously, a few children have found the noise levels in the Arena too loud, especially if this was their first time at such an event; if you think your child may be sensitive to the noise, please provide foam ear plugs where possible to help dull the noise.

**The school coach:**

The bus will leave at **12.30pm** for Birmingham and return after the show **to school** at approximately **10.00pm**. Please make sure that the adult collecting is already on our permissions to collect and that they are **prompt**. It is suggested that where possible arrangements are made with an adult to collect that is **not attending** the concert as delays have caused some issues in the past.

We cannot let your child go home with other parents UNLESS we have been notified prior to the day. We will try to send out a text message on our way home to update you.

**Parents attending the performance:**

The doors open for parents to arrive at 5.00pm, it is recommended that you are seated for 6.30pm and the performance starts at **7.00pm**. If possible, we will send a text to advise you of where we are in the arena, so that you can look out for the children. **All** children will be returning to school on the coach - staff will **not** be able to release any children from the Arena.

Any questions, please contact us via the school office.
