Dear Parents and Carers

BIKEABILITY TRAINING

As in previous years, we are delighted to offer Bikeability Training to our Year 5 children.

The Bikeability Training (Levels 1 and 2) starts week commencing Monday 16th March 2025. **If you would like your child to participate, please complete and return the consent form no later than Friday 17th October 2025.** The form will come home with your child today. There are a limited number of places available so these will be allocated on a first come, first served basis.

- The children must know how to ride a bicycle and have a bicycle that is in good working order. A check for roadworthiness will be made during the first session and any deficiencies will need to be rectified before the following week's session; parents and carers will be advised of any adjustments required to make the bike roadworthy.
- The children must bring their cycle helmets to school for all sessions.
- Bikes will need to be transported to school on the days of the sessions – **if children walk to school could they please walk the bikes along the pavement (not ride)**

Yours sincerely,

Mrs Hackett
