

Dear Parents/Carers,

Welcome back to a new school year! The children have had a wonderful start to the year by getting to know their new teachers, friends and to explore their new learning environment.

This week, the children officially begin their first phase of learning. Each year group will be engaging in a range of exciting learning activities designed to inspire and challenge all the children across the school.

We have outlined the first phase of learning for each year group in their respective Sway links. By clicking on the Sway link for your child's year group, you will be able to access all the information regarding the learning for this phase.
