Wednesday 25th March

Dear Parents and Carers,

We would like to remind families that children do not need to bring toys, trading cards or personal fidgets into school. Over the last few weeks, we have seen an increase in the number of children bringing things in.

Items brought from home can often cause disruption to learning, lead to disagreements between children, or become lost or damaged. To help maintain a calm, focused learning environment and positive relationships between pupils, we ask that these items remain at home.

Please be assured that any resources children require to support their learning or wellbeing during the school day will be provided by the school. Where appropriate, staff will ensure that suitable classroom resources are available to meet pupils' needs.

We appreciate your support in reinforcing this message with your child and helping us to ensure that school remains a purposeful, inclusive and happy place for all learners.

Thank you for your continued cooperation.

Yours sincerely,

Mrs L Hackett
Headteacher
