Friday 21st August

Dear Parents and Carers,

I hope that you and your family have had a wonderful summer break and have enjoyed some special time together.

We are very much looking forward to welcoming all of our children back to school on **Monday 24th August**. Please remember that the school gates open at **8.40am**, and we ask that children arrive on time so that they are ready to start their learning promptly.

As we prepare for the new term, I would like to remind parents of a few important expectations:

- The school gates open at **8.40am**. Please ensure that children arrive promptly so they are ready to begin their learning on time. A calm and punctual start helps every child make the most of their school day.
- We expect children to attend in full school uniform. Children may wear either school shoes or trainers; however, **Crocs should not be worn to school**.
- To support focused learning and keep valued belongings safe, children should **not bring toys or personal items from home** unless specifically requested by their class teacher.
- Smart watches are best kept safely at home, as children do not need them during the school day.
- Children in Years 5 and 6 may bring a mobile phone to school if needed for their journey to and from school. To keep phones safe and support focused learning, all devices are securely locked away throughout the school day.

These simple measures help us to maintain a safe, focused and positive learning environment for all children.

We are excited to begin another successful year together and look forward to seeing everyone on Monday morning.

Thank you for your continued support.

Yours sincerely,

Mrs Laura Hackett
Headteacher
