

Year 4: Spring Term 2 2021 Curriculum Information – Blue Abyss

Dear Parents/Carers,

We are looking forward to our next adventure – we are learning about the blue abyss this half term. Come dive with us to the bottom of the ocean where we can explore all the amazing creatures that live there. Learn about how important the oceans are to all aspects of life on our planet and how you can help protect them for future generations.

Your child will be studying the following areas:

- English: Newspaper report, persuasive letter, poetry
- Mathematics: Area, fractions and decimals
- ICT: Digital poster – save ocean wildlife/stop pollution
- Science: Living things/habitats
- History: 19th century ocean exploration. 1872 HMS Challenger
- Geography: Locate the oceans. Environmental issues. Coral reefs. What's at the bottom of the ocean?
- PSHE: Safety/ Healthy lifestyles
- Art: Sketch of sea creatures- watercolour turtle
- DT: Using recycled materials to make artwork collage- underwater sea theme
- PE: Hockey/Dance
- Whole class reading: Why the whales came.

PE day this term is on a Tuesday and Thursday

Homework will be sent home each Friday and will also be uploaded onto our teams page. It will focus on spellings, reading and times tables. Homework will now also include Century challenges. Within each classroom there is a leader board for Timestable Rockstars and Accelerated Reader. These will be updated to show the amazing scores they have achieved.

Miss Savory, Miss Marsh, Ms Wynder and Mrs Lovell. (Year 4 Team)
