Dear Parents and Carers,

4th February 2022

Holi Festival Dance Workshop – Friday 25th March 2022

We have organised a Holi Dance Workshop for the children on Friday 25th March as part of our celebration of diversity.

The workshop will run throughout the school day during which the children will learn about Holi – the Hindu Festival of Colours. The children will work towards mini dance performances, including a brief introduction and a story. They will then be celebrating and sharing their learning at the end of the day with a performance to parents and carers in the KS2 school playground at 2.45p.m.

As part of this celebration, it is a tradition to throw different coloured powdered paints. These paints are provided by the dance company and are non-toxic, very safe for children to use and will wash away after a good shower. There will also be an opportunity for parents and carers to join in and throw the colours too! If you would like your child to participate in the colour throwing, we are advising that your child brings in a change of clothing, which you do not mind being covered with the paints.

This event will be a lovely opportunity for the children to learn about the Festival of Colours and we are sure they will have a very enjoyable and informative day. There will be no cost to parents and carers for this event.

Please email the office to indicate if your child cannot participate in the colour throwing, and whether you will be attending the colour throwing at 2.45p.m.

Yours sincerely
